

DUMP BLOOMBERG PLEDGE FORM

Bloomberg is displacing our communities by passing racist rezoning plans which encourage developers to build luxury high-rises in low-income communities of color. Meanwhile, he is *still* spending city money to subsidize his developer friends, while slashing jobs and resources for our health, education, public housing and other services. Under Bloomberg's administration, the gap between rich and poor in NYC has grown to be the 9th largest in the world. Therefore, I pledge to stop Bloomberg from destroying NYC and to take back *our* city from the filthy rich.

- I pledge to vote against Bloomberg in the 2009 NYC Mayoral Elections.**
- I pledge to vote in the 2009 elections against city officials who support Bloomberg's destructive agenda.**
- I pledge to get 10 friends, co-workers, or family members to dump Bloomberg.**
- I pledge to distribute information in my workplace and community.**
